

MID-ATLANTIC AMATEUR RADIO CLUB MEMBERSHIP ROSTER

MAY, 2006

**How to find someone in this roster
if you never used a paper callbook**

This roster is sorted by callsign suffix (the part of the callsign following the call-area number). For example, to find N3KN, find suffixes beginning with K and then read down the list to KN. In case of callsigns with the same suffix, the callsigns are sorted by prefix. For example, K3RIZ comes before WA3RIZ.

To help you, the first callsign in each suffix group appears in red in the electronic version of the roster.
