MARC TUNES INTO SPACE SHOT HEARD 'ROUND THE WORLD

OBTAINS DATA FROM OUTER SPACE ON OSCAR AND RS SATELLITE.

INFO TO BE UNVEILED AT MARC MEETING- TUESDAY, MARCH 16, 8 PM.

Hey! Did ya hear that Joe talked to OSCAR and to R.S. Satellite and didn't even leave home. Yah mean he talked to OSCAR the Grouch? Yeh! And not only did he talk to OSCAR the 7th but also the 8th and even heard from the youngest of the group OSCAR 9th. And: And then just when he thought he had talked to the entire family he met up with this new family on the block, the RSs'. Wella, where's they from? Rumor has it that the RSs are from the other side of the pond. Yah mean Jersey? No the other side of the Pond. Yah know over in Russia, Ohhh! Well what else ya know about these dudes? Not a whole lot but the fella with all the answers will be talking about them on Tuesday, March 16, 8 PM at the Mid Atlantic Amateur Radio Club Meeting. Where's it at? Metropolitan Federal Savings Bank, Haverford and City Line Aves. , Phila. Guest speaker Dave, WA3PEB.

MARC'S ON THE MOVE: PROJECTS COMMITTEE SUGGESTS SEVERAL IDEAS

NEEDS YOUR HELP! SOMETHING FOR EVERYONE GET INVOLVED!

Have you ever said that you would like to help the Club, become involved, but the Club isn't doing what your interested in? Well maybe the projects Committee is for you. According to Projects Committee Chairman Ned, KA3EQT, the committee will be developing ideas which the Club can work on, These ideas will be turned over to the various Committees or if necessary a new committee will be formed, All ideas will be presented to both the Board of Directors and the general membership.

Just what are some of these ideas. Well lets see. There's an idea of a repeater link or an OSCAR link. The PR committee has thought about producing a slide show on the Club and amateur radio in general and even getting out some more publicity about Club activities. The Public Service committee would like to update its telephone calling tree, have more people involved with net activities: strengthen our committments to both Bryn Mawr Hospital and the Red Cross; and give stronger to support to the work of the Section Emergency Coordinator. And finally, but not last, we are looking for a cocordinator for Field Day.

Interested in these ideas or maybe you have some others. Join the committee. Afterall remember it takes people to carry out ideas, How about you ? Contact Ned, KA3EQT.

Phila. FCC Exam sked: Req. Code: Tues. 9 AM: No code: Tues. & Wed.

10 am - noon. Further info: 215-752-1324

DUES

MARC Dues are \$10.00 per year, March thru February. Dues help maintain the repeaters, publish a monthly newsletter, and sponsor various activities throughout the year. Dues can be mailed to MARC, Box 352, Villanova, PA 19085.

REPEATERS

MARC sponsors two repeaters on 145.13 and 147.06. Both have autopatch, but use is limited to members only, unless there is an emergency. For access code information contact any Board member.

LOCAL HAMS BECOME SILENT KEYS

MARC member Bob Young, W3NWA, passed away recently after a long illness, Bob was active in the Club serving as a member-at-large on the Board of Directors and Chairman of several Field Day activities. Bob, W3 North West Airlines, was considered to be the Elmer of the Club helping many make their first CW contact, others with antenna problems and others with their teletype. He also shared his knowledge with those who were less fortunate, including working with handicapped hams. Bob was also a member of the Roosters.

A memorial fund has been established in Bob's memory at Suburban General Hospital, Norristown. For additional info on the fund contact Neil, WB3KIL.

ARRL Atlantic Division Director Jesse Bieberman, W3KT, passed away in May following a brief illness, At the request of Jesse's widow the ARRL Foundation has established the Jesse Bieberman Memorial Fund to assist with the ARRL membership dues of disabled and elderly amateurs and prospective amateurs who are unable to afford them on their own. Additional info will appear in August, QST, Contributions may be sent to the ARRL Foundation, 225 Main St., Newington, CT. 06111.

Replacing Jesse as Director is Hugh Turnball, W3ABC, of College Park, Md. George W. "Bud" Hippisley, K2KIR, of Colden, N.Y. has been appointed Vice Director.

IT'S HAMFEST TIME AGAIN!!

KEEP SUNDAY, AUGUST 8th open for one of the

BEST and LARGEST HAMFESTS in the DELAWARE VALLEY

That's right, MARC presents Hamfest '82, Sunday, August 8, 1982, at the Budco 309 Twin Drive-in Theatre, Montgomeryville, PA, See flyer for directions,

In order to make the Hamfest a success we need your help,, According to Hamfest Chairman Don, WB3AYT, it will take at least 128 man hours of work to pull it off. Jobs to be done include registration, talk-in, parking, clean-up, Club table, ARRL booth, etc. We need your help to make your Club better. We would much rather see a lot-of members contribute a few hours rather than a few contributing many.

How does the Hamfest make the Club better. Well, primarily it gives us a firm fiancial base to take on major projects and improvements for the Club. Our past three hamfests enabled us to buy both repeaters, amplifiers, autopatches, etc.

As an added feature this year MARC will be running a HAMFEST SPECIAL. For any individual joining the Club the day of the Hamfest, he will be considered a member until March 1, 1984. This is still an additional 7 months on membership for one low price. This offer does not apply to current members.

Also available to Club members will be the membership name badges,
